### Documentation: User Manual

After unpacking the extension, pin the extension to the browser bar

Enter a certain website

Click on the icon of the extension- Tracker in the upper right side of the page

You will see a list of the 5 trackers we chose

If the name of the Tracker is red then you are being tracked

If the name of the Tracker is gray, then you are not being tracked

The “Show All” button next to each tracker name shows a list of the websites that you have visited that tracked you

You can hide the list of websites by clicking the “Hide” button
